Why choose Celestra?

Our expert Account and Project Teams give our Clients peace of mind in the knowledge that their projects achieve the highest level of craftsmanship that they are aspiring for.

We provide our Clients with an end-to-end service that gets us involved in concept creation, planning, implementation and delivery. That's why, when we work with a new Client, it's never for a single project; we become a life-long trusted IT Partner.

Our processes and capabilities enable us to support a wide range of IT technology; from Celestra Engineers installing Kitchen Management Systems, Chip and PIN devices and Tablets, to Digital Media Screens and Kiosks. Our strong supplier partnerships facilitate our ability to give our Clients the very latest in expertise and hardware.

The 5Cs

We deliver each solution with a set of values that set us apart.

Caring

We put our hearts into all we do

Customisation

We tailor each and every solution

Can-Do Attitude

We never say 'no', we make it happen

Comprehensive

We deliver it all, end to end

Craftsmanship

Whatever we do, we do it well

When you work with Celestra, you are getting a team that really care about the task at hand, will go above what is expected and are the best at what they do.
